

The Pavilion

Enter the building at the front and take a seat in the Community Room on the left. The Screener will call you when ready and take you through to the screening room. The building and screening room have full disabled access. The toilets are outside on the side of the building including the disabled toilets.

Accessible to all pedestrians

Parking: There is plenty of parking onsite as well as disabled bays. During school holidays especially the summer holiday, the car park can be extremely busy, so leave a little extra time to find parking.

Bus: Number 500 bus stops on Broomhall Lane
